Autumn 2 week 3 Newsletter

Dear Parents and Carers,

This week is Anti-Bullying week in school. Anti-Bullying Week is an annual campaign aiming to raise awareness about bullying in schools. As a Silver Rights Respecting School, we foster a culture of kindness and respect, ensuring that students feel safe and listened to.

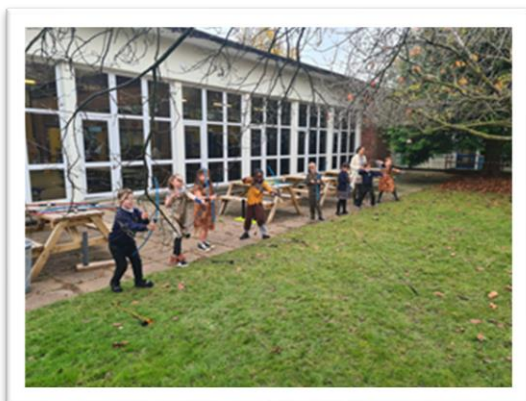

The theme this year is 'Choose Respect' and the School Council have been working hard to agree on how to recognise and organise the week ahead. The School Council have met and agreed on the activities that each year group will take part in around the theme of anti-bullying and respect. They have also planned and created their own PowerPoint and assembly which they will deliver to years 1-6 on Tuesday. On Friday, they have planned for a special showcase assembly where each year group will be able to show off what they have done to celebrate the week.

On Monday, we'll be honouring Remembrance Day with special activities. As part of our Peace Mala reflections, we'll be remembering those who have served their country in the past world wars and those who continue to serve today. It's a poignant opportunity for our pupils to connect with history and reflect on the importance of peace.

Last week was a busy week in school:

Our Year 6 pupils recently embarked on an enlightening journey to Quarry Bank Mill, immersing themselves in the rich history of our region. This visit, aligned with their history curriculum, brought their classroom learning to life, offering tangible connections to the past and deepening their understanding of our industrial heritage.

Year 3 took a fascinating leap back in time with their Stone Age Day. The children's creativity shone as they crafted Stone Age jewellery, connecting with ancient craftsmanship and developing a hands-on appreciation for prehistoric life.

We're thrilled to be part of an exciting research project led by Manchester University and SynAir-G. Dr Clare's informative talk to our Year 4 parents about Indoor Air Pollutants has set the stage for this important study. We encourage our Year 4 families to consider participating in this research, which promises to contribute valuable insights to our understanding of air quality.

Disrupting Noxious Synergies of Indoor Air Pollutants and their Impact on Childhood Health and Wellbeing, using Advanced Intelligent Multisensing and Green Interventions

Hello Year 4!

How are we tackling poor air quality in schools?

Celebrations are in order for our Year 6 pupils who have completed their swimming course. We eagerly await the results to see how many have achieved the milestone of swimming 25 metres – a crucial life skill and a significant achievement.

Next week, on Wednesday 20th November, it is World Children's Day. This is a very special and significant international event which celebrates the day that the United Nations signed the Convention on the Rights of the Child.

As a Rights Respecting School, we are dedicated to ensuring that all children learn about, promote and respect their rights and the rights of others. On this special day, they will be exploring rights within the classrooms and looking, in

particular, at how children around the world access their rights. **All children are invited to wear blue on this day.** This can be their own clothes or their blue school uniform if they don't have anything blue to wear. Please speak to your child to find out more about what they have learnt.

Attendance

Our whole school attendance this week is 93.5%. Please try to ensure your child is in school as much as possible to give them the best chance at an excellent education.

Well done to our weekly class winners:

2RB – 96.7%

3KH – 97.8%

5MP – 98.6%

House points

Well do to everyone for a fantastic amount of House Points earnt last week.

The totals for last week are:

House Barnardo – 1,916

House Parks – 2,132

House Frank – 2,341

Well done to House Frank for winning the House Points last week. Let's see how this affects the running total for this half term.

House Barnardo – 6,373

House Parks – 6,831

House Frank – 5,886

House Parks is in the lead so far so a big well done to 6HJ, 5BH, 4DC, 3KS, 2CM and 1TB.

May we remind everyone, once again, to download the School Spider app. We will be randomly selecting one name from the list of parents, who have downloaded and logged in to the app, to win this fantastic hamper just in time for Christmas. The draw will take place on **Monday 2nd December** and the lucky winner will be announced. Please note, this will be selected on parents and not children, so if both parents are on the app, you will have double the chance to win.

If you're experiencing any difficulties with the app, please don't hesitate to speak with our helpful office staff who are always ready to assist.

In our Early Years department, we hosted a successful Open Evening for our Nursery. It was wonderful to welcome prospective parents and showcase our outstanding provision. If you know any other parent looking for a Nursery place please ask them to contact our School Office so Kath can organise a visit to see Nursery in action.

As always, the dedication of our staff, the support of our parents, and the enthusiasm of our pupils continue to make Newall Green Primary a vibrant place of learning and growth. Thank you for your ongoing partnership in nurturing our children's education and development.

Date	Event
